

# IRB DROP-IN HOURS

Drop-in hours are available to all NU researchers who have questions about the IRB, human subjects research, or any part of those related review processes.

- Attendees can join and leave at their leisure.
- Sessions will be one-on-one or small group discussions of questions brought by attendees.
- Questions will be addressed on a first-come, first-served basis.
- No registration is needed. Come with your questions!

Please note, during these sessions, the IRB staff won't review specific language for approval or a specific research study, as these sessions are not intended to replace the pre-review process.

## *Come with questions like:*

- *What is informed consent?*
- *What forms do I need?*
- *What is needed to study children?*
- *Do I need an amendment?*
- *How do I start a reliance agreement?*
